Dig out the bones!

Every piece of music has a form. Form is referring to the sections of music and their specific order. Sections are labeled A, B, or C and then when a section repeats you repeat the letter. Some songs are ABA or ABBA or ABCA. Let's find the form for your song!

Write the form here _____

Does the song have any repeats or DC al coda? _____

Story time!

Think about your song as a story. You can use the lyrics or create your own story. Does it take place on a school bus, or at the lake, or perhaps at a circus? Then what happens during the story. Use the melody to help you think of something that happens in the story. Write your story line here.
